

Studium am

Norwegian University of Science and Technology

Gjøvik, Norwegen

www.ntnu.edu/design

Stand: November 2024

Allgemeines:

The Department of Design (ID) was established on January 1st, 2017 as the result of the merger between NTNU and three university colleges. The department today consists of two groups which are about the same size: one at Gløshaugen campus in Trondheim and one in Gjøvik. The group in Trondheim is responsible for a 5-year integrated master degree in Industrial Design, a 2-year International Master in Industrial Design, as well as a doctoral program (PhD) in Industrial Design. The group in Gjøvik has responsibility for three Bachelor programs in graphic design, web development and interaction design, and a 2-year master's degree in interaction design, as well as a one year program in web design.

Studiengänge:
