## University of Kigali Kigali, Ruanda

<http://uok.ac.rw/>

Stand: Januar 2019

### Allgemeines:

We aim to transform our country into middle – income nation in which Rwandans are healthier, educated and generally more prosperous. UoK was established in 2013 as a private University, in order to support the government efforts in transforming Rwanda into a knowledge based economy. The commission is to fill the skills gap that exists in the market place by providing HIGH QUALITY programs which are RELEVANT to the market needs and to produce graduates who do possess both professional skills and moral values; are innovative, analytical and dynamic learners and responsive to market needs
