## Siberian Aerospace State University,

Krasnoyarsk, Russland

[www.sibsau.ru](http://www.sibsau.ru) / [www.incomank.sibsau.ru](http://www.incomank.sibsau.ru)

Stand: 01. März 2010

<b>Allgemeines:</b>	The predecessor to the Siberian Aerospace University (SAU) was founded in 1959 as a branch of the Krasnoyarsk Polytechnic Institute. In year 2001 the Academy received a status of University. The SAU has taught economics since its inception; in 1991 a full range of business subjects was added. Education at Siberian Aerospace University and Higher Business School is based on the integration of academic and internship activities. There are 350 faculty and 3000 students, earning Bachelor's and Master's degrees. Courses are available in English as well as Russian. Exchange students will be especially interested in offerings in business, economics, science, and engineering. The University is located in the city of Krasnoyarsk. Its campus consists of a number of academic buildings, residence halls, and other facilities, as well as offices in industrial enterprises. SAU/HBS has a Central Library of 253,000 volumes, computer facilities, and an Aerospace Museum.
