

Studium an der

Université Paris-Saclay

Paris-Saclay, Frankreich

www.universite-paris-saclay.fr/en

Stand: April 2020

Allgemeines:

Université Paris-Saclay offers a complete and varied range of Bachelor's, Master's and Doctorate degrees, whose quality is recognised internationally thanks to the reputation of its research and the commitment of its teaching staff. Its constituent faculties and component institutions further expand this offer with cutting-edge thematic training in science and engineering, life sciences and health, social sciences and humanities. With 275 laboratories shared with the CEA, CNRS, IHES, Inrae, Inria, Inserm, Onéra, Université Paris-Saclay represents 13% of the French research potential. Located south of Paris, on a vast territory (from Paris to Orsay, via Evry and Versailles), Université Paris-Saclay benefits from a strategic geographical and socio-economic position enhanced by its international visibility. Université Paris-Saclay operates on a classified and protected natural site, close to Paris, and at the heart of a particularly dynamic ecosystem. With of 65,000 students, 9,000 professors and lecturers, and 11,000 technical and administrative staff, Université Paris-Saclay is a driving force for the development of its territory and one of the best institutions in France. Join a French university that is inclusive, demanding, and open to the world.
