Allgemeines:

At Johnson & Wales University, we prepare you for personal and professional success. Our pioneering educational model of combining academics, hands-on training, work experience tied to a field of study, leadership opportunities and career development has made JWU a recognized leader in career education. Since its founding in 1914, the Providence Campus has grown to become JWU's largest, with more than 10,000 students—representing all 50 states and 63 countries—enrolled in undergraduate, graduate and doctoral programs. Our accredited business, hospitality, culinary arts, technology and education programs are designed to provide you with the knowledge and expertise to succeed in the global economy. Unlike other universities, at JWU you'll take courses in your major from day one so you'll know right away if that field is right for you. In addition, a dedicated career coach and faculty advisor will help you develop the best possible career plan to further your goals.
