

Studium an der

Tecnológico de Monterrey,

Campus Querétaro, Mexiko

www.itesm.mx/wps/wcm/connect/campus/qro/queretaro

Stand: Oktober 2022

Allgemeines:

The Tecnológico de Monterrey was founded in 1943. It is a private, non-profit institution which is independent from political and religious affiliations. The Tecnológico de Monterrey is a multi-campus university with 31 campuses, our cooperation is with campus Queretaro. It is ranked as one of the top universities in Mexico. The educational model used is based on teaching techniques such as collaborative learning, problem-based learning, project-oriented learning, case method learning, service-learning and research based learning. It is a focus on co-curricular activities encompassing student leadership, cultural diffusion and physical education, all of which complement our students' comprehensive development.
