Stand: December 2021

Allgemeines:

Leeds College of Art has been delivering high-quality art and design education for over 160 years and has contributed significantly to the development of art education in Britain and beyond, having pioneered new ways to teach and to structure qualifications. We understand that a qualification from a Higher Education Institution is recognized internationally, and we endeavour to deliver high quality teaching and facilities to all our students. The College participates in partnership activities with international schools and colleges and visits to interview students and assess portfolios.
