## Allgemeines:

The Università del Salento has grown remarkably in the last decades playing a leading role in the local cultural system. Its locations in Brindisi, Lecce and Arnesano (few kilometers from downtown), the University buildings and structures are a patrimony for the entire Salento, where tradition meets innovation, rootedness opens to contemporaneity. Visiting the Università del Salento is a pleasant journey among old buildings, cloisters and monasteries (like the Convento degli Olivetani, seat of the Rectorate), and very modern buildings (like the Engineering Department Building) which represent the icons of technology and research.
