Norwegian University of Science and Technology

Stand: November 2023

### Allgemeines:

Trondheim Business School is part of NTNU and is offering a full year International Programme in Business Administration taught in English at undergraduate level, for exchange students. Trondheim Business School was established in 1967, and is today one of the oldest public business schools in Norway. Trondheim Business School has a stable and highly qualified teaching staff, that continuously aim to further enhance the school's academic and educational standard. The academic staff get inspiration and ideas by cooperating with other universities and colleges, both Norwegian and foreign. Whether you want vibrant city life or a lighted ski trail – Trondheim has it all. It is no wonder that Trondheim is regularly voted as Norway's best university student town.
